

Invitation to Host: National Championship & Open National Championship.

The Ad-hoc Committee Ski and Snowboard India (SSI) is pleased to invite applications from interested parties to host the upcoming National Championship and Open National Championship events across various disciplines and age groups for the 2024-2025 season.

This prestigious event aims to provide a competitive platform for athletes across India, showcase emerging talents, and promote winter sports at a national level.

Event Details:

- Championship Type: National Championship & Open National Championship
- Disciplines: Cross-Country Skiing, Alpine Skiing, and Snowboarding.
- Age Groups: Juniors Category and Senior/Open Category
- Event Dates: To be finalized based on the host's proposal and seasonal considerations

Eligibility to Apply:

- State/UT Associations and Organizations affiliated with SSI
- Entities with proven experience in hosting national or regional winter sports events
- Ability to provide necessary facilities, safety measures, and a suitable course for the disciplines offered

Host Responsibilities:

- Organize and manage the event according to SSI regulations and guidelines
- Ensure compliance with national standards for track preparation and athlete safety
- Provide logistical support, including accommodation and transportation for officials and participants
- Collaborate with SSI for branding, media coverage, and promotion of the event.

Submission Details:

Please send an email to skiandsnowboardindia@outlook.com. Preference will be given to early applicants.

We look forward to collaborating with passionate organizers dedicated to elevating the standard of winter sports in India and creating memorable experiences for our athletes and spectators.
